SMALL SPEAKERS FOR SMART PEOPLE

People's Choice Home Theater Speaker System by Orb Audio®

No hard-sell salespeople. No showroom rental hiking up the prices. No mysterious-sounding brands from unknown sources. Just superb audio equipment from an award-winning brand beloved of audiophiles the worldover: Orb Audio®. Arguably the best home speakers in the world, everyone is lovingly handmade in California, USA.

For big sound from small speakers (at a not-too-big price), go to www.breathingsounds.com
